

A modern interior space, likely a rooftop lounge, decorated for Christmas. A large, dark green Christmas tree is the centerpiece, covered in warm white lights. To its left, a dark blue velvet armchair sits on a wooden floor. In the foreground, a small round table holds several lit candles in brass holders. To the right, a long dark table is set with more candles and a festive garland. The background features large windows with a decorative metal screen, offering a view of a city skyline at night. The overall atmosphere is cozy and sophisticated.
